About Me

Experienced WordPress Developer skilled in theme customization, HTML, CSS, and JavaScript. Proficient in modern page builders. Detail-oriented, deadline-driven team player dedicated to improve web presence.

Work Experience

Creative Mouse

9 Aug 2023 - Present

For Creative Mouse, I've transformed UI templates into WordPress sites with precision using page builders, HTML, and CSS, ensuring client satisfaction.

OLT Digital Agency

10 Jan 2021 - 20 Nov 2022

Developed precise WordPress websites tailored to client specifications using advanced page builders such as Elementor, Divi, Thrive Architect, Oxygen, and Brizy.

EcologyTheme

1 June 2017 - 15 Sep 2020

Worked in front-end development for Ecology Theme, contributed to 30+ themes on ThemeForest and WrapBootstrap. Successfully delivered 15+ approved themes.

Some of my best works:
